Submitted to His Highness

16 When the question of openirg a Chair in Logic and Philosophy in the Laharaja's College Mysore, came up for consideration, His Highness approved of my proposal to grant a few scholarships for such studies instead of sanctionirg an expensive staff for teachirg the subject in Mysore The Inspector General of Education was requested to submit proposals regardirg the grant of scholarships and he has now recommended the grant of two scholarships of Rs 25/- each per mensem for the pass course

Pars. 7 & 8 of note

7.

17 2 The Financial Secretary is of opinion that the scholarships now allotted for Honours Course may be regarded as sufficient and that the proposal to grant scholarships for the pass course in Logic and Philosophy may lie over for the present

Para 3 of note

18 3 The First Councillor is in favour of the grant of scholarships and thinks that the rate of scholarships restricted to Philosophy may be fixed at Rs 15/-

Para 4 "

19 4 I agree with the First Councillor Rs 25/- is the rate of scholarship fixed for the Honours Course and there is no need to fix the rate of these scholarship so high I therefore solicit sanction to grant two - - scholarships of Rs 20/- per mensem tenable for two years to Mysore students who take up either Philosophy or Logic for the pass course in the B A Degree Examination of any University in India

Office of the Inspector General of
Education in Mysore
Bangalore 27th March 1913

Dear Mr Ramaswamaiya

Your D O No 7528/Edn 209-12 of the 26th instant regarding scholarships for those taking Philosophy in Colleges outside Mysore The rate of scholarship now given for the Honours course is Rs 25 per month as fixed in Government Order No 891-2/Edn 39-10-1 dated 26th July 1910 I think the same rate may be fixed for two Philosophy scholarships also annually, and they may be given only for the pass course as there are separate scholarships for the Honours course The total number of scholarships required for two years will be four and at the rate of Rs 100 a month a budget provision of Rs 1200 annually is required For the next academical year however only Rs 600 will be needed

Yours sincerely
M. Shamaraya Rao.
